## MedConn App

Welcome to Medical Connections App which provides fresh jobs in the allied healthcare and medical industries. Features include: search between thousands of jobs, select between job categories, add jobs to your favorites, apply for email alerts, search jobs by distance, see the location on the map and apply for a job right on your phone.

## CLaw – Florida Rules of Professional Conduct

This Application is distributed free of charge to encourage knowledge of and reference to these ethical rules for Florida lawyers. We would like to hear from you. Feedback is appreciated.
